**Church Directory**

We are updating the church database in order to print a 2019 church directory and to relaunch the revised online mobile directory.

An email was sent out January 9th to everyone who provided an email on their 2018 Family Profile form. If you have not already done so, please reply to the email and indicate whether everything is to remain the same or list the changes that you want made. (You can also see Krista after church to check your contact info)

**If you do not have email**, then please see Krista after church from 10:30 - 11 to check the info that we currently have on file for you.

If you consider Victory to be your home church and you have never completed a Family Profile Form, we would encourage you to do so in order to receive church communication. Forms are available at the Information Rack or you can see Krista after Sunday service.
